Camping is still being worked on. The Prairie Motel has offered a private shaded area for \$5 a night. There are no bathrooms in that area (but I bet someone staying in the motel will let ya use theirs ☺) There is public bathrooms with showers in the park, but no camping there..... yet. I'm sure we'll come up with more options. There are a couple of RV camp sites. Call me for that information.

Purpose of the North Dakota Ladies Motorcycle Run

To socialize & meet other ladies who ride (all makes – all models)

To make the public aware that women ride

To encourage other ladies who want to ride

This is a social event for ladies who ride motorcycles. There is no organization holding this event and no one is profiting. All money collected goes towards the expenses incurred for the event and sponsoring next year's event. There is a suggested \$15.00 donation. All Lady Bikers are responsible for themselves, including any type of accidents. This is a social get together and not associated with any fund raiser event.
